Maldon riders in the Eastern Region Cyclo Cross League races have now been confirmed as outright team winners of the winter series & Sue Wood is unreachable in the ladies section.

With three series events still to run, Maldon riders have scored maximum points in so many events they cannot be overtaken in the team competition. Congratulations go to Gary, Sue and George Wood, Kevin & Keely Bunton, Chris Ridley, Rebecca Hammond, Samantha Parker, Lucy Harper, Joolz Halpin and Simon Hurrell. Their participation has kept the Maldon flag flying high and has knocked Ipswich BC, team leaders for many years in the past, from the top step of the podium.

To add to the good news, Sue Wood has scored maximum points in eight counting events and cannot be overtaken in the ladies section. Well done, Sue.
